LABOR LEADERS Will be Re-elected WAR ON H. C. L.

Program to Reduce Prices Prepared for American Federation Convention.

GOMPERS TO CONTINUE

All Factions Concede His Thirty-ninth Re-election. 1,000 Delegates Attend.

Montreal, June 5 .- Framing of a program to halt rising prices and suppress gougers will be the main business of the annual convention bor, which opens here Monday Vice President Mathew Woll indicated upon his arrival today.

The entire force of organized labor throughout the United States will be directed to this end during the next few months," said Woll. "Wage reduction will not bring lower prices. Elimination of the middleman and the halting of excessive profiteering by dealers han-

for our economic distress."

labor will work, and scores the government for failing to bring crimi-nal action against big profiteers. The national nonpartisan political campaign now being carried on by the federation to elect a friendly Congress is part of this campaign. Most of the 1,000 delegates arwed today. Gompers' Election Conceded.

When Samuel Gompers reached his hotel tonight it was to learn

that, although his re-election as president of the federation is coneded by all factions, there probably will be a well formulated effort by the younger element to inject blood" into the executive council. It will be Gompers' thirty-Montreal citizens tonight were

rushing elaborate plans for entertaining the delegates. The city is decked in flags and bunting, the Union Jack and the Stars and Stripes being draped together. City officials are expected to join in the welcome. A big parade of delegates is to occur just before the opening session. Escorted by many bands, the delegates will march to the conven- receipts, 7,016 tubs; creamery, high-

'I suggest this," said Kenyon, "because of the large number of contributors who gave large sums to the Wilson campaign of 1912 who later were rewarded with important

diplomatic posts." Senator Kenyon presented some figures on the Wilson appointees. He defended the manner in which the investigating committee nas inducted its hearings.

"There has been a scandalous expenditure, but we have conducted our investigations with fairness throughout. We have let the chips fly where they might, regardless of who was hit. The testimony re-garding the Democratic expenditures, however, has been fully as bad in many cases as the Republicans. The purchase of foreign am-bassadorships by large campaign contributions, however, must be stopped. It debauches the public service and arouses question in the
